tejasbobade2002@gmail.com | +91-9834572544 | [Github](#) | [Linkedin](#)

## Skills

Languages: JavaScript, SQL, Python

Frontend Development: HTML, CSS, Tailwind CSS, JavaScript, React, Shadcn-UI, Sql

Technologies/Frameworks: React, Express, Mongoose, TanStack Query

Backend as Service: Appwrite, Supabase

Developer Tools: Vs Code, Git, Github

## Work Experience

### Elite Software

Dec. 2023 – Feb. 2024

Web Development Intern

- Gained hands-on experience in domain name registration, website hosting, and deploying live websites effectively.
- Built an E-Commerce project using HTML, CSS, TailwindCSS, JavaScript, ReactJS, and Python, strengthening full-stack development skills.
- Utilized GitHub for version control and VS Code for efficient development workflows, ensuring code quality and collaboration.
- Developed responsive websites with optimized mobile interfaces, enhancing user experience across devices.

## Projects

### SnapGram - Social Media App - [Demo Link](#)

2024

Technologies: **ReactJS, Appwrite, JavaScript, TailwindCSS, Shadcn UI**

- Developed a modern social media platform with a native mobile-like user experience, boosting user interaction by 25%.
- Integrated Appwrite for user authentication, database management, and real-time data synchronization for seamless interactions.
- Implemented infinite scroll, optimized API performance, and reduced page load times by 30%, enhancing overall user engagement.
- Designed an intuitive, mobile-first interface with TailwindCSS and Shadcn UI, ensuring a visually appealing and responsive user experience.

### Hirrd - Job Portal Application

2024

Technologies: **ReactJS, TailwindCSS, Supabase, Clerk, Shadcn UI**

- Integrated Clerk for Gmail and Google authentication, enabling smooth onboarding and role selection as recruiter or candidate.
- Built recruiter features to post jobs, view applicant details (resume, skills), and track applications through customizable stages using Supabase for data management and storage.
- Implemented candidate functionalities like job search, filtering, applying via React Hook Form, managing saved and liked jobs, and accessing a personalized applications page.
- Designed a mobile-first, responsive UI with Shadcn UI and TailwindCSS, optimizing user experience and performance across devices.

### Brainwave - Landing Page - [Demo Link](#)

2024

Technologies: **ReactJS, TailwindCSS**

- Built a fully responsive landing page with modern UI/UX, incorporating mobile-first principles and advanced features like parallax effects and bento box layouts.
- Developed dynamic sections (Hero, Benefits, Collaboration, Pricing, Roadmap) using modular components for scalability and maintainability.
- Utilized ReactJS for functionality and TailwindCSS for efficient styling, delivering a high-performance, visually appealing design.

## Certificates

- |                                     |           |
|-------------------------------------|-----------|
| • <b>Python:</b> Coursera           | Apr. 2022 |
| • <b>React:</b> LinkedIn Learning   | Apr. 2023 |
| • <b>Express:</b> LinkedIn Learning | Apr. 2023 |
| • <b>JS:</b> LinkedIn Learning      | May. 2023 |

## Education

### Zeal College Of Engineering And Research, India

2023 - 2024

- Computer Science | CGPA: **8.15**

### Warana Vidyaniketan & Aabasaheb Patil Junior College of Science , India

2019 - 2020

- *State Board of Maharashtra (Class XII), Percentage:74.92*

### New English Medium School Adarki, India

2017 - 2018

- *State Board of Maharashtra (Class X), Percentage:83.40*
